SORRY!®

parker brothers slide pursuit game

All the game play and all the fun of the family favorite — in a handy, take-it-anywhere travel case! This special portable edition has a small version of the classic game board, two pegs for each player, and specially designed chips that give you all the action of the full-sized game.

You'll Switch, you'll Bump, you'll Slide, you'll sneak up and pounce on your opponents and yell "Sorry!" as you play the whole game right in the two halves of the plastic case.

So when you "start" from "home," take along the SORRY!® Travel Edition! You won't be sorry you did!

Game includes: Travel case containing SORRY!® game board • 8 pegs • 13 chips • Consumer-applied chip labels
